MARIA CARBIN holds a Ph.D. in political sciences and is currently employed as a post-doc at the Centre for Gender Studies, Umeå University, Sweden. The post-doc project focuses on neo-liberal governmentality and equality policies within higher education. She teaches courses in gender studies in the areas of feminist theory, post-colonial studies and poststructuralism. Between 2007 and 2010 she participated as a researcher in the research project Quing (Quality in gender+ equality policies in Europe), funded within the European Commission's 6th Framework Programme. Within the Quing project Maria Carbin analysed equality policies in the Nordic countries, with special attention to Danish policies.

ELKE JANSEN manages the largest project on LGBT families in Germany – the “Rainbow Family” project in LSVD (Lesbian and Gay Federation in Germany). Until 2002 she taught courses in developmental psychology and statistics and did research at the Psychological Institute at the University of Bonn. She holds a Ph.D. in Psychology and has been working as a psychological therapist in private practice for over 20 years. From 2006–2009 she was a member of the advisory board of the first representative study on LGBT families in Germany, commissioned by the German Federal Ministry of Justice. She is the author of the first handbook on LGBT-families in Germany (*Regenbogenfamilien – alltäglich und doch anders. Beratungsführer für lesbische Mütter, schwule Väter und familienbezogenes Fachpersonal*) and many other publication and presentations about lesbian mothers, gay fathers and their children in Germany.

Correspondence: LSVD, Projekt “Regenbogenfamilien”, Pipinstraße 7, 50667 Köln, Germany.

GUILLAUME MARCHE is a senior lecturer in American studies at the Université Paris-Est Créteil (France) and a member of the Institute for the study of English-, German-, and Romance language-speaking spheres (IMAGER). He teaches courses on 20th- and 21st-century US history, politics, society and culture. His research focuses on contemporary social movements in the US. He wrote his PhD dissertation and several articles on the politicization of sexual identities in the LGBT movement. His recent research also addresses biography and the biographical mode in social science, especially memoirs and biographies as sociological sources; he co-edited with Vincent Broqua a collection of essays entitled *L'épuisement du biographique?* (Cambridge Scholars Publishing, 2010). His current research deals with infrapolitics, especially protest graffiti as an infrapolitical form of mobilization, and he is editing an issue of the *French Journal of American Studies* (*Revue Française d'Etudes Américaines*) on infrapolitics (upcoming Spring 2012).

Correspondence: Université Paris-Est Créteil – UFR Lettres et Sciences humaines – 61 avenue du Général de Gaulle – 94010 Créteil – France.
